Getty Images to Release First Quarter 2026 Financial Results on May 11, 2026

Apr 22, 2026 |

New York-April 22, 2026: Getty Images Holdings, Inc. ("Getty Images") (NYSE: GETY) a preeminent global visual content creator and marketplace, announced today that the Company intends to release its first quarter 2026 results after market close on Monday, May 11, 2026, followed by a conference call at 4:30 p.m. (Eastern Time) that same day to discuss the Company's results.

The conference call can be accessed live over the phone by dialing 1-800-245-3047, or for international callers, 1-203-518-9765. The conference ID for the call is GETTYQ1. An audio replay will be available for two weeks following the call and can be accessed by dialing 1-844-512-2921, or for international callers, 1-412-317-6671. The passcode for the replay is 11161581.

A simultaneous webcast of the conference call will also be available on the Investor Relations section of the Company's website at https://investors.gettyimages.com/. The webcast will also be available for replay shortly following the call.

About Getty Images:
Getty Images (NYSE: GETY) is a preeminent global visual content creator and marketplace that offers a full range of content solutions to meet the needs of any customer around the globe, no matter their size. Through its Getty Images, iStock and Unsplash brands, websites and APIs, Getty Images serves customers in almost every country in the world and is the first-place people turn to discover, purchase and share powerful visual content from the world's best photographers and videographers. Getty Images works with over 600,000 content creators and over 360 content partners to deliver this powerful and comprehensive content. Each year Getty Images covers more than 160,000 news, sport and entertainment events providing depth and breadth of coverage that is unmatched. Getty Images maintains one of the largest and best privately-owned photographic archives in the world with millions of images dating back to the beginning of photography.

Through its best-in-class creative library and Custom Content solutions, Getty Images helps customers elevate their creativity and entire end-to-end creative process to find the right visual for any need. With the adoption and distribution of generative AI technologies and tools trained on permissioned content

that include indemnification and perpetual, worldwide usage rights, Getty Images and iStock customers can use text to image generation to ideate and create commercially safe compelling visuals, further expanding Getty Images capabilities to deliver exactly what customers are looking for.
